

**Trilk J, Nelson L, Briggs A, Muscato D. Including lifestyle medicine in medical education: rationale for American College of Preventive Medicine/American Medical Association Resolution 959. *Am J Prev Med.* 2019;56(5):e169-e175.**

The editorial office has been notified of a correction to the following sentence in the abstract of this article: “Approximately 86% of \$2.9 trillion is spent annually on obesity, cardiovascular disease, type 2 diabetes, and some cancers, with very poor return on investment for health outcomes.”

The sentence should have read as follows: “Approximately 90% of \$3.3 trillion in annual U.S. healthcare expenditures is spent annually on obesity, cardiovascular disease, type 2 diabetes, and some cancers, with very poor return on investment for health outcomes.”
